Definitions

AGRICULTURE: Activities that make up farming, such as growing crops and raising livestock (animals)

ARTIFACT: a tool or object made or used by people of the past

BARTER: to exchange goods or services without using money

CHEROKEE: a Native American tribe originally living in parts of North and South Carolina and Tennessee and are now living on reservations in Oklahoma and North Carolina

COMMUNITY: a group of people living in the same place or having a characteristic or culture in common

CONFLICT: a strong disagreement between people, groups, or countries

CONSUMER: anyone who buys goods and services

CRAFTSMAN: a person who is very skilled at making something, usually by hand

CULTURE: the way of life of a particular group of people, including their food, clothing, buildings, language, beliefs, arts, tools, and traditions

ECONOMICS: the study of how people get the goods and services they need and want

EXPEDITION: a journey, usually by a group of people, for a specific purpose like exploration, scientific research, or war.

FRONTIER: land that has not been explored or lies just beyond settled areas

LONG HUNTER: an explorer and hunter who made expeditions into the American frontier wilderness for as much as six months at a time.

NATIVE: born in a place or coming naturally from a place

PELT: the skin of an animal that still has fur on it

PETITION: a written document that many people sign to show that they want a person or organization to change something

SLAVERY: the condition in which a person is legally owned and controlled by another person

SURVEY: to explore something in order to give an exact physical description or general report on it

SYLLABARY: a set of written symbols that represent the syllables or sounds that make up words

TERRITORY: an area controlled by the United States but is not a state; an area of land that belongs to or is controlled by a government

TIMELINE: a way to organize information by placing it on a line of dates that shows passage of time

TRADE: the action of exchanging one thing for another

TRADITION: a way of doing things that is passed down over time

TRANSPORTATION: the method of moving people or goods from place to place

TREATY: an official agreement that is made between two or more groups or countries
